MOVING UP CEREMONY

The day is nearing and students are preparing for the main event in their middle school years!

MOVING UP!!

The past three years have moved rapidly and, of course, only seems like a blink away since the 8th graders first entered Lynch Literacy Academy with wide eyes of excitement and anticipation.

Now they're heading into the years that will determine their future. It's been a pleasure being part of preparing them for their future. The staff at Lynch Literacy Academy will be sad to see them move on yet proud of the growth that has taken place over these years.

With moving up being such a special and formal event, the students are to wear clothing appropriate for the occasion.

Please follow the attire list below:

Full shoulder top – no spaghetti straps or bare shoulders

Skirts/dresses slightly above knee or longer

Dress pants/shorts – no jean material

No hats

No cell phones – students or parents

Congratulations 8th Graders

Enjoy the summer!
